“ We have used Gerflor products very successfully on a number of projects and found them to be very high quality, easy to fit and work with ”

Anthony Mynett, Director,
Carpet Services (Cardiff) Ltd

The Abertillery Primary School north of Newport and just South of Abergavenny in Wales can boast the longest history and tradition of educational provision in the Abertillery area. It would be a project where they would demand the highest standards of flooring throughout the school.

■ We've worked on many new buildings and refurbishments in the education sector and our main focus is to maintain the quality of the build while meeting the needs of the pupils and staff through this transition ■

Neal Stephens, Managing Director, Willmott Dixon (Wales)
